## Election Day at Sacred Heart Catholic School!

Today it was Election Day. I ran for secretary. This morning the people who ran gave their speeches to the school. Students ran for president, vice president, secretary, treasurer, and activities coordinator. When I was saying my speech I was really nervous about it. There were a lot of people running for activities coordinator. I was competing against Jada. There were really good speeches from everyone.

Voting was really tough. I really thought about who to vote for, for all of the offices. When everyone voted they probably wanted to vote for more than one person for a lot of them. The thing I like to vote for is somebody for president. I think people really took their time voting in the stand.

The results. The results were tough for those who did not win. I was really nervous about losing. The activities coordinator people who won were Caitlin and Lily. Treasurer was Gretchen. Then Mrs. Shawn said secretary. I was really nervous. Secretary was Turner. Me, I cannot believe it! Vice president was Jack Turner. President was .....Naomi. Then all of the new Student Council went to get their picture taken.

- Turner

Today was Election Day. When we went out to prayer we got to do our speech. I and Cole Olheiser ran together. It was a lot of fun. We ran for activities coordinator. There were a lot of people running for that specific thing. When we went up there I and Cole were very nervous. I think our speech was one of the best out of all of them. But the other ones were very good. I think the one that was not that nervous was Jack Turner...

## Veteran's Day

On November 10 our school celebrated Veterans Day. We didn't celebrate it on the 11<sup>th</sup> because we did not have school on that day.

We each made a Veterans Day acrostic to hang in the hall. We went out into the hall and sang songs to all of the veterans. Before we sang the songs all of the veterans introduced themselves... Mrs. Nys and Father Nelson played the guitar while we sang. Mrs. Saalfeld came in to help us sing. Then we went back into our classrooms for show and tell. First Pete came in to tell about his experiences. He said that he got shot in the jaw. Then Mr. Cady came in. He is in the Navy currently and was telling about his experiences on his ship.
